For many Long Island families, a home, a business, and the assets built over a lifetime represent years of careful planning. Decisions involving marriage and family deserve that same thoughtful attention.

From Abrams Fensterman, LLP's nearby Lake Success office, Partner Dina De Giorgio, Director of the office's Matrimonial Department, and Associate Amanda E. Benzenberg help clients prepare for new beginnings and navigate difficult transitions with practical guidance and personal attention.

Their practice encompasses prenuptial and postnuptial agreements, divorce, property division, custody, support, and post-judgment matters. For couples entering marriage with established assets, business interests, or children from a previous relationship, proactive planning can clarify financial expectations and address important considerations before questions become disputes. When a marriage ends, thoughtful representation helps clients focus on their children, financial stability, and the future.

Dina brings more than 30 years of matrimonial and family law experience, including years operating her own boutique practice serving Nassau and Suffolk counties. A tenacious advocate and trained mediator, she combines litigation experience with a pragmatic approach to resolving disputes. She keeps clients' objectives at the center of her work, pursuing negotiated solutions when appropriate and avoiding unnecessary litigation. Her North Shore roots also include service as a Town of North Hempstead Councilwoman and continued involvement in community and nonprofit initiatives.

Dina was also recently recognized in the 2027 edition of *The Best Lawyers in America*® for Family Law.

Amanda has focused her legal career exclusively on matrimonial and family law. She pairs determined advocacy with empathy for clients facing deeply personal challenges, prioritizing out-of-court settlements whenever possible and helping each client pursue a resolution suited to their circumstances.

For Long Island residents, Amanda's connection to the firm carries particular meaning. Her late father, Steven J. Eisman, was an Executive Partner at Abrams Fensterman, a distinguished matrimonial attorney, and a beloved figure in the Long Island community. He chaired the firm's Divorce and Family Law and Civil Litigation and Appeals practices and served as President of the Nassau County Bar Association. His legacy of legal excellence and civic involvement remains a meaningful part of the firm's history, as Amanda builds her own career serving families.

With access to colleagues in trusts and estates, real estate, corporate law, and appellate practice, Dina and Amanda can coordinate counsel when family matters involve broader legal concerns.

For families on Long Island, thoughtful guidance for life's most important decisions is close to home.

"Protecting what matters most begins with thoughtful planning - for your family, your assets, and your future."
